

## **Woodhaven Manor – Covid 19 Update**

The Province of Manitoba level **RED** status has been extended until  
**January 11, 2021.**

**The Medical Officer of Health directed lockdown of Woodhaven Manor also remains in effect due to ongoing positive cases within the building.**

The following directives continue to remain in place:

- Social interactions are limited to members of your household only.
- If you live alone, you are allowed **one person** to visit your household.
- No other entry into the building except for essential services.
- All common areas, including waiting areas, remain closed. Any loitering in common spaces, including hallways, is not allowed.
- Tenants should not go out except for essential reasons such as medical appointments, groceries and pickup of medications.
- There is no need to shop every day for groceries; plan ahead.
- All deliveries of essential items must be made at the front door only.
- Walking outside for fresh air and exercise is encouraged, if you are able.
- No outside services will be allowed in except for essential repairs.
- Masks must be worn by all tenants in public spaces.
- All programming continues to be suspended until further notice.
- All meal programs deliveries will be made to your suite door until further notice.

These restrictions are not intended to make life difficult, they are life saving measures. Be respectful to your fellow tenants and behave responsibly.

Remember to remain diligent during this time and self monitor any symptoms  
Contact Public Health at 888-315-9257 if you have concerns about symptoms.

Questions/concerns can be directed to Bonnie Begalke at 204-346-5020.
