JUNE 2024

WELCOME

A warm welcome to our newest tenants,
Henry and Nettie Klassen in suite 303!
We are so glad that you are here!

Do you have a prayer request or praise item you would like to share? One of the many benefits of living in a community like Woodhaven is that we can support each other in prayer. If you have a prayer request that you are comfortable sharing, there will now be a segment in the monthly newsletter for this. Prayer requests can be dropped off in the white basket on Helen's desk. You can either write your name, or remain anonymous. Each month, I will add the requests to the newsletter so that the tenants of Woodhaven can pray for one another.

“Pray for one another” James 5:16

What an awesome responsibility and an incredible gift! Today, we want to thank you for all of the time and commitment that you have and continue to put into your families every single day. Your efforts may or may not be in the headlines but they are appreciated and valued.

From the Chaplain's Desk:

Life is fragile.

Aren't we reminded of this each year when we hear of frost warnings?
What will happen to the trees whose blossoms we just saw blooming so profusely?
Will they be able to bear any fruit?

Sickness and disease remind us of our frailty. They remind us of how helpless we really are and of how dependent we are on the One who holds us in the palm of His hand. Psalm 104:29 says, "Thou hidest thy face, they are troubled: thou takest away their breath, they die, and return to their dust."

It seems that we need those occasional reminders. They have a way of putting us in our place, of letting us know we aren't as strong and independent as we may sometimes think we are, and that our course in life is directed by Someone else.

The Apostle Paul experienced much hardship in his life, from beatings and imprisonments to dangers at sea. What was his response in such times? In II Corinthians 12:10 he writes, "Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for Christ's sake: for when I am weak, then am I strong."

How could Paul take pleasure in difficulties? Wouldn't it be enough just to endure them? We find an explanation in the previous verse where God says, "My grace is sufficient for thee: for my strength is made perfect in weakness." It is in such times of weakness we are motivated to seek the Lord. It is in times of weakness that He gives us extra grace to see us through. It is in times of weakness that we can become truly strong.

This month we also want to celebrate Father's Day—a special time set aside to honor the fathers in our lives. While many can honor their fathers in person, others simply honor those memories.

Happy Father's Day!

Peter Berg, Chaplain
