NEW LOCATION FOR EXERCISE!

Beginning on Wednesday January 1st, ALL exercise classes will be moved down to the basement MPR. This is so that we can keep all of the chairs permanently set up, and so that we can keep all of the dumbells in one place instead of carrying them up and down! I realize that not everybody enjoys being in the basement due to the lack of windows, but its only for 30 minutes per day so hopefully you can make it work! Exercise classes will still remain the same: regular DVD on Mondays/Wednesdays, advanced DVD Tuesdays/Thursdays, and exercises with Helen on Fridays!

'Tis the season...to put everything away for the end of the holidays! On **Wednesday January 8th**, I will be packing up all of the Christmas trees and decorations throughout the building all day. If you are able to lend a hand at all, it would be greatly appreciated! I will leave totes on each floor for the tree ornaments to go into, and the boxes for the Christmas trees. Thanks in advance!

The third floor tenants recently participated in a by-election, as their Tenant Council Representative has now moved out of Woodhaven. By majority vote, Peggy Friesen #313 was elected as the new third floor Tenant Council Representative for a 2 year term.

Congratulations, Peggy!

Subsequent struggles as refugees are vividly depicted, but Yusra Mardini's swimming career sees her reach the Rio 2016 Olympics as a member of the Refugee Olympic Team. Warning: the film does contain some sensitive issues and scenes of violence.

From the Chaplain's Desk

"Is there a piece missing?"

"Where does this one go?"

"Almost done—just a few left!"

These are just a few of the comments we hear around the puzzle table. Interestingly, each piece of the puzzle has only one spot where it fits but each piece contributes to "the big picture".

While the completed puzzles may lie there a few days, the boxes they were dumped out of soon become full again and ready for another round. If they could, I'm sure each of the puzzles could tell many stories that they have heard.

As we start another year and leave one behind, does our life sometime feel like a puzzle? Did our box get dumped out this year? Or just when we thought we were making progress and the picture was coming together did we get scooped back into the box and had to start over? Have we wondered, "How does this piece fit into my life?"

Albert Brumley wrote the words to the song, Some glad morning when this life is over, I'll fly away. To a home on God's celestial shore, I'll fly away.

Perhaps it will take until we "fly away" before we will really be able to appreciate the beauty of what the Lord has been working in us all along. Maybe the most difficult times of our lives will produce the most vivid colors in "the big picture" of our lives.

"O Lord, thou hast searched me, and known me." Psalm 139:1

Let's enter the New Year with confidence knowing the Lord will continue to lead us.

Peter Berg, Chaplain
